

Froebel College

Sion Hill, Blackrock, Co. Dublin, Ireland

CLIENT:
Froebel College

ARCHITECT:
O'Keeffe Architects

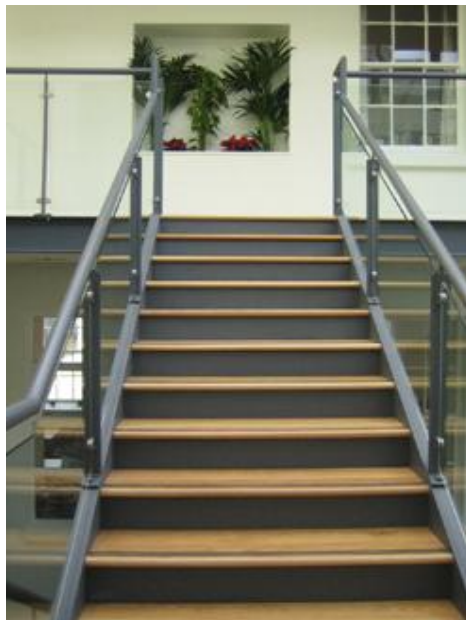

PROJECT VALUE:
€2m

PROJECT STATUS:
Completed June 2008

Froebel College is one of the top Teacher Training Colleges in Ireland. The refurbishment included complete overhauls of the Offices, Art Rooms and Library, a new Atrium and Stairwell serving the First and Second Floor Teacher/Admin Offices and a new entrance to the College which included under-floor heating.

The project also involved installing a new Public Address System to both Froebel College and the adjoining Sion Hill College, as well as upgrades in Heating and Mains Water Supplies.

Other works included upgrades in Lighting, Fire Alarm Systems for Froebel and Sion Hill Colleges, Security and Low voltage Distribution. A new Fire Hydrant and separation of the Mains Water Supply from DLRCC completed the works in Froebel College.
