

## Glenageary Village

Glenageary, Co. Dublin

CLIENT:  
Gilmer Properties

ARCHITECT:  
Horan Rainsford

PROJECT VALUE:  
€40m

PROJECT STATUS:  
Planning

Glenageary Village is a mixed use development in Glenageary, South Dublin. It comprises 15,000 square metres of retail, office, high spec apartments and community medical centre. Public and private parking is provided over two underground levels.

Decorative amenity lighting is being provided to the public areas together with revisions to the road lighting due to the proposed alterations.

A central energy centre complete with biomass boilers will be installed providing a renewable heat solution for all tenants.
