

Liberty Asset Management - Refurbishment

Clonskeagh, Dublin 6.

CLIENT:

Liberty Asset Management

ARCHITECT:

Michael Collins Associates

PROJECT VALUE:

€1m

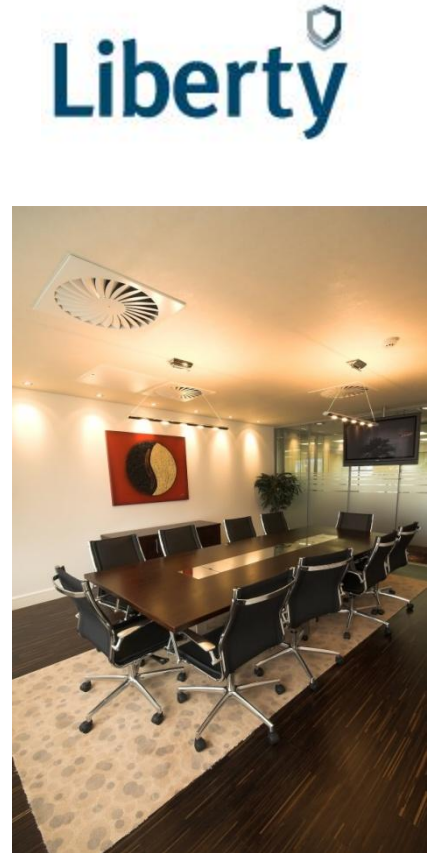

PROJECT STATUS:

Completed June 2007

We were commissioned by Liberty Asset Management to carry out the full mechanical and electrical consultancy for the refurbishment of the existing office building in Clonskeagh, Dublin 6.

The installation was designed and installed to the highest specification and quality.

The high spec project features include air conditioning to office, feature lighting, audio visual system and data installation.
