

## M7/M8 Toll Plaza, Portlaoise

Portlaoise, Co. Laois

CLIENT:  
Celtic Roads

ARCHITECT:  
James Aherne  
Architects

Structural/Civil  
Consultant:  
Roughan & O'Donovan

PROJECT VALUE:  
€9m

PROJECT STATUS:  
Practical Completion

The Toll Plaza development consists of an 18 lane Toll Plaza, 1,000 square metres of administration offices together with a motorway service and maintenance depot.

The development incorporates a number of specialised systems to meet the requirements of the toll operators including;

- Full Standby Generator Coverage
- UPS Installations
- Toll Plaza Lighting Systems.

The admin building and Toll Booths are fully air conditioned using a VRV system. PIR controlled high efficiency lighting has been used throughout.
