

Wyndale Clinic

Letterkenny, Co. Donegal.

CLIENT:
NorthWest Healthcare
Ltd.

ARCHITECT:
HKR Architects

PROJECT VALUE:
€30 million

PROJECT STATUS:
Tender Stage

The proposed Wyndale Clinic is a 12,000 m² facility spread over 3 floors. The development shall house 70 inpatient beds and 20 day beds.

The hospital shall have four surgical theatres, a radiation-oncology service with two linear accelerators, renal dialysis and diagnostic department with X-ray, CT Sim, MRI and PET scan equipment.

Services shall include general surgery, endoscopy, orthopaedics and general and sub-speciality medical services. There is provision for physiotherapy, primary care, minor injuries treatment, urgent care and a range of outpatient facilities, as well as ten consultant suites.

When fully operational, it is envisaged that Wyndale Clinic shall employ up to 300 staff.

Full mechanical and electrical designs have been completed to our clients requirements up to tender stage.
